Sir:

On December 11, 2009, Claims 2-4 were indicated to be allowable, and *ex parte* prosecution of this Application was suspended for 6 months in view of a potential interference.

On January 12, 2010, Interference 105,737, Elazar v. Petrushin, was declared between the present Application as Senior Party and Elazar U.S. Patent 6,542,602. On August 10, 2010, Party Elazar filed a disclaimer of all claims of U.S. Patent 6,542,602 that were involved in the Interference. On August 17, 2010, Judgment was rendered in Interference 105,737 awarding priority to Party Petrushin.

Accordingly, the Application appears to be in condition for formal allowance.

Appl. No. 09/833,301  
Status Inquiry Dated August 20, 2010

Inquiry is made as to the status of the Application.

Respectfully submitted,

/Raymond W. Green/
